the COVID-19
Pandemic

This artwork was created as a tribute to all healthcare workers on frontlines everywhere in the world. For your selfless helping of patients and the community of global villages during the pandemic, I offer my gratitude and respect.

*"If I can stop one heart from breaking,
I shall not live in vain:
if I can ease one life the aching,
Or cool one pain,
Or help one fainting robin
Unto his nest again,
I shall not live in vain."*

Anthology. Cook RJ (Editor). Chicago: The Cable Company, 1929.
